

# Make Your Own Custom Album Covers

## Create a paper bound album in this fun and easy 1/2 day class.

Sometimes you just can't find the perfect covers for your scrap-  
ping or photo albums. Why not  
make your own personalized album  
covers.

In this class you will learn with  
easy steps and professional book  
makers tips how to make you own  
stunning custom designed album  
covers.

You will make a decorative paper  
covered album with a hinged  
spine tied with a ribbon or cord,  
designed to hold 8" x 8" pages. You can  
bring your already created pages or  
blank pages to start a new album.

During class you your instruc-  
tor will show you tricks and

tips of the book mak-  
ing trade, including  
the secrets of glu-  
ing, how to tuck clean  
corners, how to make the hinged  
spine, and more.

Whether the album is for your-  
self or you give it away, you can now  
make albums that will truly match  
the creative efforts that you put into  
the inside pages. They will be the  
talk of your family and friends!
